INTRODUCTION

SOAP Bible Study for Marriage

SOAP stands for Scripture, Observation, Application, and Prayer—four steps designed to help couples engage with God's Word. This journal is created to help you and your spouse grow spiritually, strengthen your relationship with God, and deepen your connection with each other.

Through the SOAP method, you'll begin by reading a passage of scripture and determine how it speaks to marriage, love, and God's design for relationships. It will help you reflect on how scripture applies to your marriage—whether it's offering encouragement, guiding your actions, or challenging you to grow by seeking God's wisdom and strength to live out the truths you've learned together.

This journal is not only a study tool but a space for connection and transformation within your marriage. As you commit to growing together spiritually, may you become a marriage that reflects the biblical teaching that a husband and wife are to become “one flesh” (Genesis 2:24) and embodying a relationship that mirrors the unity between Christ and the Church (Ephesians 5:31-32).

When we focus our attention on Christ, our perspective changes.

When His word and example become the filter through which we see and respond to all things – we will see Jesus through our spouse and our spouse through Jesus.

This is the pathway to a Marriage United.

*A man leaves his father and mother and is joined to his wife,
and the two are UNITED into one. This is a great mystery,
but it is an illustration of the way Christ and the church are one.
Ephesians 5:31-32 (NLT)*

DIRECTIONS

SOAP Bible Study for Marriage

1. Start by reading the weekly Bible passage as a group.
2. Break out as couples so each can privately discuss what God is speaking to them and journal using the **SOAP method as outlined below**.

S **SCRIPTURE:** Write the verse that God spoke to you, resonates with you, challenges you, or makes you feel good (try to see the commonalities if you each picked a different verse).

O **OBSERVATION:** Write what prompted you to select this verse(s). Ask yourself any or all of the following questions:

- Is there a command to obey?
- A promise to claim?
- A sin to avoid?
- Is there something new you've just learned about God/Jesus/marriage/yourself?

A **APPLICATION/ACTION:** Write about how the verse(s) apply to your marriage and your walk with God together? How will you each live out that verse(s)?

P **PRAYER:** Write a short prayer that agrees with what God spoke to you, and ask Him to help you live out that verse.

3. At the conclusion of couples SOAP, come back together **as a group** to openly discuss the God/Marriage question.
